22 February 2024

Dear Parents

If you could see the world through the eyes of a child, we would see the magic in everything.

The tiny tots of Tagore International School, East of Kailash would love to walk you through a world of love and happiness that they dream for themselves. They want us to embark on a journey into a world where everyone is happy and would like to give us the message of love with them through a collection of stories, songs, dance and much more. You are cordially invited to "SYNERGY" 2024, on Saturday, 24 February 2024 as per the schedule below.
