

Dear Parents

“The future belongs to those who learn more skills and combine them in creative ways.”-- Robert Greene

At Tagore International School we recognize the importance of a well-rounded education and we believe that co-curricular activities play an integral role in the development of our students. We nurture this ingenuity through the art pursuit and physical activity classes. Participation in these activities will provide the students with an opportunity to develop their creativity, critical thinking skills and self-expression.

Each student opts for **one art pursuit & one physical activity** for the next three years (for Class I) / two years (Class IV). You are requested to fill in the consent form given below; listing TWO options each in ART PURSUIT and PHYSICAL ACTIVITY in order of preference. The allotment of the activities will be done on the basis of your choice AND the availability of seats for that particular activity.

The proforma has to be submitted to the Class teacher latest by **Monday, 08 April 2024**.

Warm regards
