**CLASS VI - ART PURSUIT AND SKILL CLUBS**

Dear Parents

***“It is possible to fly without motors, but not without knowledge and skill”.* - Wilbur Wright**

The world around us is changing rapidly; hence it is important to develop a link between education and the real world. With an aim to equip the students with the relevant employability and entrepreneurial skills, as per recommendations of NEP 2020, CBSE has taken many initiatives for integrating Skill Education in schools. At Tagore International School, we recognize the importance of a well-rounded education and we believe that co-curricular activities play an integral role in the development of our students. We nurture this ingenuity through the Art Pursuit classes and Skill activity based clubs. These activities ignite creativity along with critical thinking, making the learners analytical, and enabling them to be well versed with essential life skills to face the world, building a strong foundation for a thriving future.

Each student may opt for ONE ART PURSUIT AND ONE SKILL BASED ACTIVITY, which she/he will be a part of for the next three years (Class VI to Class VIII). You are requested to fill in the proforma below, listing TWO options each in ART PURSUIT and SKILL BASED ACTIVITY, in order of preference. The allotment of the activities will be done on the basis of your choice and the availability of seats for that particular activity.

The proforma has to be submitted to the Class Teacher latest by **Monday, 08 April 2024**.

Warm regards

**(Mallika Preman)**
