

*“It is possible to fly without motors, but not without knowledge and skill”. - Wilbur Wright*

Dear Parents

The world around is changing rapidly; hence, developing a link between education and the real world is important. With an aim to equip the students with the relevant employability and entrepreneurial skills, as per recommendations of NEP 2020, CBSE has taken many initiatives for integrating Skill Education in schools. At Tagore International School, we recognize the importance of a well-rounded education and we believe that co-curricular activities play an integral role in the development of our students. We nurture this ingenuity through the Art Pursuit classes and Skill based activity. These activities ignite creativity along with critical thinking, making the learners analytical, and enabling them to be well versed with essential life skills to face the world, building a strong foundation for a thriving future.

Each student may opt for ONE SKILL ACTIVITY, for the session. You are requested to fill in the consent form below, listing TWO options of the SKILL ACTIVITY, in order of preference. The allotment of the activities will be done on the basis of your choice AND the availability of seats for that particular activity. The consent form has to be submitted to the Class Teacher latest by **Monday, 08 April 2024**.

Warm regards
