Dear Parents,

We are excited to announce a strategic collaboration with PACE-IIT & Medical, a renowned name in competitive exam preparation for last 25 years. To address the unique challenges faced by our students in balancing regular school commitments with competitive exam preparations, we are introducing two specialised programs designed to optimise academic performance.

FBC (Foundation Builder programme) for Class 10th Students

Features-

- Focus on building a robust foundation in Science (PCB) & Math (Including Mental Ability).
- Commencing April 2024, spanning approximately 10 months.
- Two weekly classes covering two subjects each day, from 08:00 am to 09:30 am strategically mapped with the school curriculum.
- Continuous performance monitoring, remedial classes, and Mock Board Tests.
- Three Parent-Teacher Meetings to provide insights.

Key Advantages of These Programs:

1. ***On-Site Classes:*** Conducted within the school premises, potentially during regular hours.
2. ***Curricular Alignment:*** Synchronisation of school and coaching curricula.
3. ***Time Optimisation:*** Reduced travel time, providing ample time for self-study.

***Fee Structure* - 1 Lakh+GST**

PACE's Overview:

Benefiting from a 25-year legacy, PACE has pioneered Accelerated Learning Programs (ALP). Their commitment to academic excellence is evident through successful ventures in institutions like The Podar Group of Schools, Sanskriti School Delhi, DPS R K Puram, and more. ALPs are regarded as the future of competitive exam preparation, fostering both academic rigour and comprehensive skill development.

To express your interest and secure a spot for your child in these programs, kindly fill out the consent form given and submit it by **Monday, 22 April 2024**. Looking forward to a fruitful collaboration for the academic growth of our students.

Warm regards

**MALLIKA PREMAN
