Dear Parents

As we commence the academic session 2024-2025 we would like to inform you about the promotion policy in classes IX & X, where we follow the assessment pattern as per the CBSE guidelines. Following is the assessment criteria for class X. We request you to go through the same, along with your ward, and ensure that they follow the same to attain their optimum potential.

It has been observed that students take their Internal Assessments lightly and do not participate in subject enrichment activities or submit assignments on time. We would like to inform you that Internal Assessment has a **direct impact** on the **Final Result of your ward**. We would, therefore, advise you to kindly go through the following instructions carefully:

1. Examination

- Following assessments will be carried out throughout the session as per the schedule given

2. Pass Criteria

- In order to be declared as having passed Class X Examination, a student **must obtain a minimum of 33% marks in both** the Internal Assessment **and** the Board Examination and in each of the five subjects Individually.
- If a student scores less than 33% in one subject, it will be considered as compartment, and he/she will have to write the compartment exam and score above 33% in it for promotion to Class XI. The exam will be conducted by CBSE.
- If a student scores less than 33% in two or more subjects, he/she will be considered detained in Class X.
- A printed performance profile will be given after the Mid-term and Pre Board Examinations. It will reflect the marks and grades scored by the student in internal assessments and the term examinations.
- The Final Examination performance profile will be issued by CBSE in May 2024.

3. Co-Scholastic Assessment

- Co-Scholastic assessment will be based on a five point grading scale which will include Art Education and Health and Physical Education. Health and Physical Education will include assessment in individual games, group games, physical exercises and a component of Social Empowerment through Work Education and Action, i.e the NSS activities undertaken by students in Classes IX and X.
- CBSE will issue a Health and Activity card based on the assessment carried out by the School.

- This will be assessed along with Co-Scholastic assessment on a five point grading scale based on attendance, sincerity, behaviour and values.

5. Stream Allocation Criteria in Class XI

- In Class XI the factors deciding the allotment of stream and subject will be the students' academic performance in the **written test in Mid -Term and Pre-Board Examinations in Class X**, and their individual preferences. It is imperative that, as parents, you give due importance to your ward's academic performance throughout the year so that she/he qualifies for the stream she/he aspires for.
