CLASS: XI**

Dear Parents

We sincerely hope your ward has settled in the stream and subject(s) opted by her/him. It has been noticed that some students of Class XI request for a change of stream/subject after the Half-Yearly Examinations. We would like to inform you that as per CBSE Examination bylaws, a student has to study the same subject for two years (XI & XII) and therefore cannot change either the subject or the stream in Class XII.

In case your ward wants to change the subject or stream (subject to availability of the seats in the same), she/he should do so before Friday, 26 July 2024. After this, **NO CHANGE IN SUBJECT OR STREAM WILL BE ENTERTAINED** either in Class XI or later in Class XII. Kindly note this and ensure that your ward works hard in the chosen subjects and stream to avoid the need for a change in the future.

- It has also been observed that there is a drastic drop in students' academic performance in Class XI. Students tend to take academics lightly in Class XI which not only affects their grades in XI, but it also has an impact on their Class XII results. If your ward plans to go abroad for her/his higher studies, we would like to inform you that colleges require the mark sheet of Class XI along with all internal and external examinations of Class XII. We would advise you to guide your ward about the importance of academic grades of Class XI so that your ward does not have to face disappointment at the end of the session.
- If your ward wants to opt for a sixth subject, she/he will have to study the subject on her/his own. She/he will have to appear for the Mid Term and the End Term Examination and secure a minimum of 33% marks (separately in theory and practicals) to be eligible to continue with the subject in Class XII. However, it will not have any bearing on her/his promotion to Class XII and neither can be considered in case she/he fails to secure a minimum of 33% in one of the main five subjects.

The conditions for a student to be eligible to be promoted to class XII are as follows:

1. A student **MUST** obtain a minimum of 33% marks in each of the five subjects (33% marks in theory and 33% in practical separately)
2. It is mandatory for a student to pass in English for promotion to the next class. If she/he scores less than 33% in English, she/he will be detained in Class XI.
3. If a student scores less than 33% in one subject, it will be considered as a compartment. The student will have to write the compartment examination within two weeks of the declaration of the result and score above 33% for promotion to the next class.
4. If a student scores less than 33% in two or more subjects, she/he will be detained in Class XI. **NO REQUEST FOR PROMOTION ON CONDITIONAL BASIS WILL BE ENTERTAINED. ALSO, NO CHANGE OF SUBJECT WILL BE PERMITTED IN CLASS XII. NO LENIENCY WILL BE SHOWN TOWARDS ANY STUDENT FOR PROMOTION TO CLASS XII.**

You are requested to sign the consent form mentioning that you have read and understood the promotion policy and send it back to the class teacher by Thursday, 04 July 2024

Warm regards
