Dear Parents

National Genius Search Examination - 2025 (NGSE) is a scientifically devised assessment tool to locate genius among children. It is an innovative approach for accelerated learning, developed more than 20 years of rigorous research and adaptability tests. The NGSE leads to the prestigious National Genius Awards. NGSF has also introduced Prize Money with the National Genius Award for those who have scored 100 percentile in NGSE Advanced from the year 2018 onwards to motivate the students.

The NGSE focuses on assessment for learning. It uses 'Own the Ownership of Learning Concept' (OOL Concept) to develop questions. These Questions bring in the required interest among students to take up the ownership of learning. This approach ensures maximum learning in optimal time with deeper understanding and conceptual clarity. The multi tasked enhanced MCQs (EMCQs) of NGSE improves rapid decision-making skills in daily life. NGSE 2025 registrations (Academic year 2024-25) are open for **classes IV to IX**. The examination will be conducted on **Tuesday, 28 January 2025**.

Interested students should submit **the consent forms and ₹650/-** to their respective class teachers by Friday, 18 October 2024.

You can check the details of the examination on ngse@ngsfindia.org.

Warm regards
