Dear Parents

We are pleased to inform you that an educational visit has been organized for Class IX students to attend an exhibition hosted by the Indian Society of Soil Science, New Delhi. This event, held in collaboration with the International Union of Soil Sciences and supported by various national and international organizations, will address key issues in sustainable soil and resource management. The exhibition will feature advanced technologies developed by ICAR, providing students with valuable insights into innovations in soil science and sustainability.

Details of the Visit:

Date: Thursday, 21 November 2024

Timings: During school hours

Venue: NASC Complex, Dev Prakash Shastri Marg, New Delhi-110 012

This visit aims to enhance students' understanding of sustainable practices in soil and resource management, aligning with our ongoing environmental education initiatives. We look forward to an enriching experience for our students.

Warm regards
