

Dear Parents

Students of Class X are set to appear for the CBSE Board Examinations scheduled for February-March 2025. As they immerse themselves in rigorous preparations, the school extends its best wishes to each student, confident that their dedication and perseverance will lead to outstanding results.

Following the Class X assessments, students will move on to select their streams for Class XI, marking a significant step toward their future careers. It is essential that your ward makes a well-informed decision, guided by their academic performance in the Mid-Term, Revision Test, and Pre-Board Examinations of Class X, as well as their aptitude, as observed by the teachers over the years. The school would like to remind parents and students of the required percentages for stream and subject eligibility, as outlined previously in Circular No. TIS/CIR/24/23-24, dated 01 May 2024.
