CIRCULAR CLASSES: I & IV

02 April 2025

Dear Parents

"Education is not the filling of a pail, but the lighting of a fire." - William Butler Yeats

At Tagore International School we recognize the importance of a well-rounded education and we believe that co-curricular activities play an integral role in the development of our students. We nurture this ingenuity through the art pursuit and physical activity classes. Participation in these activities will provide the students with an opportunity to develop their creativity, critical thinking skills and self-expression.

Each student opts for one art pursuit & one physical activity for the next three years (for Class I) / two years (Class IV).

You are requested to fill in the consent form given below, listing **THREE** options each in ART PURSUIT and PHYSICAL ACTIVITY in order of preference. The allotment of the activities will be done on the basis of your choice, the availability of seats for that particular activity, **and a draw of lots to ensure fair allocation.**

The proforma has to be submitted to the Class teacher by Monday, 07 April 2025.

Warm regards
