

Dear Parents,

At Tagore International School, we believe that every student deserves the right tools, timely information, and the confidence to shape their own future. Keeping students abreast with all necessary information and skills is at the heart of our mission—to support and guide them in making informed and empowered career choices.

In line with this vision, we are delighted to introduce a new initiative in partnership with Cradle Solutions—access to the CUET TestKnock Dashboard, a dynamic online platform designed to strengthen students' preparation for CUET and other competitive entrance exams.

For a one-time payment of ₹1,000/-, students will have full access to the platform until 30th June 2026, benefiting from features such as:

- Real-time CUET interface for exam familiarity
- Daily goals, interactive modules & mobile access
- 15 topic-wise practice tests & 15 full-length mock tests per subject
- Performance analytics to identify strengths and gaps
- Examination Notification Alerts: Students shall be provided notification alerts for all important exams like NEET, JEE (Mains), CLAT, CUET, IPMAT etc. Not only alerts but the application to colleges can be filled directly from the Dashboard.
- Alerts and application features for NEET, JEE, CLAT, IPMAT, CUET, and more.

This initiative transforms passive study into purpose-driven practice and helps our students stay focused, consistent, and exam-ready.

Please note: It is optional to register. However, we highly recommend that students take advantage of this opportunity to enhance their preparation and boost their confidence for the competitive exam season ahead.

To register, please visit: <https://cuet.testknock.com/pricing>

Login credentials will be shared within 2–3 hours post-registration.

For queries, please feel free to contact our Academic Coordinator or reach out directly to the TestKnock team:
