

Parent Syllabus
Co-Scholastic Skill Club Class VIII 2025-2026

| Month | AI Club | Travel and Tourism | Design Thinking & Innovation | Handicrafts | Food & Baking | Mask Making | Aerobics | Western Band | Medical Science & First Aid | Quiz Activity | Astronomy Club | Mass Media | Digital Citizenship | Herbal Heritage |
|-------------|--|---|--|--|--|---|---|---|--|---------------|---|--|---|-----------------|
| April & May | Introduction to Artificial Intelligence What is AI? History and evolution of AI Examples of AI in daily life (e.g., voice assistants, recommendation systems) Introduction to Neural Networks What are artificial neural networks? How do neural networks mimic the human brain? Basic structure of a neural network (layers, neurons, activation functions) QUIZ | Introduction to Red Fort Purpose of Construction Influence of Mughal Architecture Architectural Features of Red Fort Key Structures Inside the Fort Mughal Gardens and Water Systems Historical Significance and Events | Review and discussion on- the innovations and designs students created in the previous year Introduction to the concepts/ terms of : a)Design Thinking process b) Innovation Topic title: Introduction to Elements for Design and story-creation -Create 3D expressive Characters using basic shapes/ forms of the elements of design - create and write a short Story or a Poem with the Basic Design Elements - Presentation of 3D Models of the Characters + the Scenario/Story setting - Write-up of the Story or Poem + Visual of the Sketch/Illustration | Introduction to Craft club- Explaining about activity and time duration, rules, financial literacy, value addition to production, neatness and smart presentation of the product -Terracotta jewellery- 2 product -Showing Videos on terracotta jewelleay- 2 periods -Terracotta jewellery earring with design and beads- 6 periods -Terracotta jewellery necklace with different style and types- 4 Period | Topic: <u>Table set-up, napkin folding, street food of India</u> Subtopic : Bhel Puri -Vada Paav -Aloo Tikki Chaat -Cookies -Dahi Bhalla -Cucumber salad Topic: Around the world -Subtopic: Sweet Corn Chaat -Sprout Chaat/ Fruit Chaat -Cup Cake -Healthy Sandwich Each child will be able to:- Analyse the different types of street foods in India. -make a variety of street foods. - learn about the components and ingredients used in making thestreet food/ cookies. | Introduction - state of Sikkim ●Preparation of material ● Creating a Yak Cham mask ● Discussion on various steps of creating mask and its use by the dancers | Introduction to Basic concepts of Contemporary Dance. (Students will be able to understand the basics and musicality to perform Contemporary dance.) ● Performing skills – expressively through appropriate dynamics & feet. - Application of skills on showmanship and coordination with orchestra ● Appropriate interpretation. ● Independently express showmanship and composing different themes and songs with improvisations. - Applying theoretical knowledge and ability to perform solo and with the group. | ● Introduction Basic human physiology What is first aid? ● Logo and Preparation of First-aid box Stethoscope BP machine Oximeter Nebuliser Demonstration & usage ● First aid Emergency management Cough and cold Nose bleeding Electric shock ● First aid Emergency management Fainting | Newspaper Reading Mock Quiz Heritage Topics Mock Quiz | - | 1. Mass media definition •Functions of mass media •Types of mass media •Characteristics of mass media •Advantages and disadvantages of mass media •Models of communication 2.Basics of media literacy •Media effect theories •11 stages of media literacy 3.Media literacy competencies, Introduction to holding cameras , parts of a camera 4.Composition in photography | Topic: : Welcome to digital citizenship Subtopics: • Right to equality • Right to freedom • Right against exploitation • Right to freedom of religion • Cultural and educational rights • Right to constitutional remedies Digital Citizenship Topic: Accessing Safe and Secure Website Subtopics: Digital footprint' and cookies Website safety Decoding domain extensions Digital footprint | - Introduction to our rich herbal heritage - Classification of Stem Modification - Introduction through story - Introduction to turmeric - Uses and importance of turmeric - Let us grow turmeric - Turmeric plant care - Plantation drive | |

| | | | | | | | | | | | | | | | |

|------|---|--|--|---|---|--|---|--|---|--|--|---|--|--|
| July | Artificial Intelligence :- Exploring Innovations and Societal Sustainability Explore AI Tools Presentation Drawing-Autodraw 3D Movie Making | Preservation and Conservation Role of ASI (Archaeological Survey of India) Restoration and Maintenance Efforts Challenges in Preservation Public Awareness and Heritage Conservation Initiatives Educational trip to the Red Fort, where students will take on the role of guides. Interactive Engagement: Reflection, Discussions, and Photography Task | Shark Tank India Session Topic- Assets and Liabilities -Pitch a business idea considering assets, liabilities, and market potential. -Create a "Balance Sheet Challenge" where students classify given items into assets or liabilities. | Paper mache Jewellery- Explaining how to make useful and attractive craft products based on recyclable materials and environment friendly common tools and equipment required for making different craft products. Best out of waste- Earring necklace | Topic: Summer delights and breakfast cooking Subtopic: -Cucumber Boat / Roll ups -Watermelon Shake -Hung Curd Sandwich -Brownie -Aam Pana -Jal Jeera -Coconut dessert -Chia milk lassi -Mango drink Each child will be able to: 1) prepare some interesting dishes to beat the heat. 2) gather some insightful information on different dishes | | Introduction to Basic concepts of Break Dance (Top rocks, Down rocks, Stunts & Freezes). (Students will be able to understand the flow and smoothness to perform on music.) | <ul style="list-style-type: none">Learning “Pirates of the Caribbean Theme Music and Conquest of Paradise”<ul style="list-style-type: none">Ability to analyze and understand the dynamics of musical themesPerforming skills – expressively through appropriate dynamics & feet.<ul style="list-style-type: none">Application of skills on showmanship and coordination with orchestraAppropriate interpretation.Independently express showmanship and composing different themes and songs with improvisations.<ul style="list-style-type: none">Applying theoretical knowledge and ability to perform solo and with the group. | <ul style="list-style-type: none">First aid Emergency managementMenstrual crampsHiccupsDiarrhoeaChokingAnt, dog and snake bite | | - Orientation to SPACE Astronomy Club: Module 1 - Comets and Asteroids: The Space Rocks - Sun: Our daytime star - Solar Observation: Safe Viewing Techniques - Astronomer’s Tools (Club Kit) | 1.Guidelines to Understand Media Messages: ‘SOLAADS’ Seven-Point Mode <ul style="list-style-type: none">Subject – Story narrativeOrganizationLocationApplicationsSource 2.Holy trinity in photography-exposure triangle | Topic: Introduction to Cyberbullying and Ethical Behaviour Subtopics: Bullying and cyberbullying The meaning and implication of the word ‘Bullying’ Potential victims of Cyber bullying DO’S and DON’T’S of being a victim of cyberbullying Case studies | |
|------|---|--|--|---|---|--|---|--|---|--|--|---|--|--|

| | | | | | | | | | | | | | | |
|--------|---|--|---|--|---|--|--|---|--|--|--|---|--|--|
| August | AI into different domains. Computer Vision The ability of machines to see the world. Natural Language Processing: The ability of machines to understand human language. Statistical | Lotus Temple (1986) Introduction to Lotus Temple Overview and Location Religious Significance (Bahá'í Faith) Unique Features of the Temple Builder and Time Period Purpose of Construction Global Influence of Modern Architecture Lotus-Inspired Design – Concept and Meaning Blend of Traditional and Contemporary Styles Architectural Features of Lotus Temple Surrounding Landscape and Water Features Reflecting Pools and Gardens – Aesthetic and Functional Role | Discussion of issues/ problems in and around school -Traffic near/outside school - Food wastage in the cafeteria. -Lack of proper ventilation in classrooms. -Need for better lighting in certain areas. -Bullying and peer pressure. -Misuse of technology by students. ● Students design a survey to collect opinions from peers and teachers. ● Compile data and present findings through graphs or reports. Problem-Solution Brainstorming ● Students work in small groups and assign each a problem. ● Use the 5W + 1H method (What, Why, Where, When, Who, How) to analyze the issue | Introduction to metal embossed jewellery- introduction basic idea and techniques, regarding material needed, understanding of technique of metal embossing, showing some pieces of metal embossing- 2 periods. Making of embossed jewellery- 2+ 2+ 2+ 2 periods | Subtopic: Monsoon delights 1-chivda chaat 2- carrot cake 3-Oreo Chocolate desert 4-Fruit cream 5-Bhel puri 6-Sprout salad 7-Baked wedges/ samosa -prepare some interesting dishes to enjoy the monsoon season. - list some interesting options to eat both sweet and salty dishes. | | Preparation of Aerobics Choreography (using different Props). [Students will be able to understand how the Choreography was made by combining all the Aerobics steps using props (Stepper, Pom, Pom, Lezim, Hula Hoops etc.).] | <ul style="list-style-type: none">• Learning “Faded by Alan Walker”<ul style="list-style-type: none">- Ability to analyze and understand the dynamics of musical themes• Learning “Shape of You by Ed Sheeran”<ul style="list-style-type: none">- Ability to analyze and understand the dynamics of musical themes• Performing skills – expressively through appropriate dynamics & feet.<ul style="list-style-type: none">- Application of skills on showmanship and coordination with orchestra• Appropriate interpretation.• Independently express showmanship and composing different themes and songs with improvisations.<ul style="list-style-type: none">- Applying theoretical knowledge and ability to perform solo and with the group. | <ul style="list-style-type: none">● Wounds & Bleeding <p>Cleaning of wound</p> <p>Application of ointments & bandages</p> <p>Different types of bandages</p> <p>How to control bleeding</p> <p>Home remedies</p> <p>Hand washing methods</p> | | - Creating a Sky Map - Directions in Daytime: Finding Cardinal directions - Project Paridhi: Measuring Earth’s Circumference | <ul style="list-style-type: none">● Colour theory in Photography● Camera angles● Creation of ETM BOOKLET BASE | Topic: Introduction to Cyberbullying and Ethical Behaviour Subtopics: Bullying and cyberbullying The meaning and implication of the word ‘Bullying’ Potential victims of Cyber bullying DO’S and DON’T’S of being a victim of cyberbullying Case studies | |

|-----------|---|---|--|--|--|--|--|---|--|--|---|---|--|--|
| September | Data: The ability of machines to learn | Sustainability Efforts Historical and Cultural Significance Role in Promoting Peace and Secularism Preservation and Conservation Challenges Sustainable Practices in Temple Management Role of ASI Public Awareness and Heritage Conservation Initiatives Educational Programs and Guided Tours Educational Trip to the Lotus Temple (Student Guide Activity) Pre-Trip Research and Preparation On-Site Student Presentations (Acting as Guides) Interactive Engagement: Reflection, Discussions, and Photography Task | Presentation of the self-designed product/ service/ idea (As a group) Each group finalizes their idea, prototype, and presentation. They prepare a 5-7 minute pitch covering: <ul style="list-style-type: none">• Problem they are solving• How their product/service is unique• Business model and scalability• SWOT analysis of their idea• (Optional) Market research data Each group presents in one of the following formats: Pitch Presentation (like Shark Tank) – A persuasive talk with visuals. Prototype Demonstration – Physical or digital prototype showcase. Role-Play Advertisement – A creative way to sell their product/service. | Introduction-P revious month subject will continue. | Subtopic: Around the world 1-oats energy balls 2-carrot cake 3- fruit corner 4- Masala papad chaat 5- Chia pudding 6- Mini burgers 7- Mini summer sandwiches 8- Pudding Each child will be able to: 1) prepare some interesting healthy dishes. 2) make some exotic sweet dishes. | | Preparation of Aerobics Choreography (using different Props). [Students will be able to understand how the Choreography was made by combining all the Aerobics steps using props (Stepper, Pom, Pom, Lezim, Hula Hoops etc.).] | <ul style="list-style-type: none">• Learning “Faded by Alan Walker”<ul style="list-style-type: none">- Ability to analyze and understand the dynamics of musical themes• Learning “Shape of You by Ed Sheeran”<ul style="list-style-type: none">- Ability to analyze and understand the dynamics of musical themes• Performing skills – expressively through appropriate dynamics & feet.<ul style="list-style-type: none">- Application of skills on showmanship and coordination with orchestra• Appropriate interpretation.• Independently express showmanship and composing different themes and songs with improvisations.<ul style="list-style-type: none">- Applying theoretical knowledge and ability to perform solo and with the group. | <ul style="list-style-type: none">• Wounds & Bleeding (contd.) | | -Astrophotography Level 1: An Introduction to DSLR Camera - Astrophotography Level 1: Working on a DSLR Camera -Rocket Science Level 1: Basics of Rocketry - Construction of Hydro Rockets | <ul style="list-style-type: none">• Colour theory in Photography• Camera angles• Creation of ETM BOOKLET BASE | Fear of Missing Out (FOMO) and Your Mental Health Behaviour Subtopics: <ul style="list-style-type: none">• The culture of social media posting and photo sharing• Their personal habits regarding screen time and social media usage | |

| October | How Computers Learn: The Basics? Data and its importance in learning Training a model with data Testing and improving models Simple, hands-on projects (like sorting animals or colors) Computer Vision What is computer vision and how does it work? Image recognition and classification Applications in real life (e.g., face recognition, self-driving cars) Robotics and AI What is robotics and how AI is used in robots? Basic concepts in robot learning and control | India Gate Introduction to India Gate Overview and Location Historical Significance (Honoring Fallen Soldiers) Unique Features of India Gate Builder and Time Period Purpose of Construction Symbol of Sacrifice, Valor, and Patriotism Role in National Identity and Military Heritage Influence of Colonial Architecture Architectural Features of India Gate Surrounding Landscape and Water Features Historical and Cultural Significance | SWOT (Strengths, Weaknesses, Opportunities, and Threats) analysis -Students select a real-world startup and conduct a SWOT analysis to understand its innovation potential. Compare multiple startups and predict their future success or failure based on SWOT insights. Product Development SWOT Challenge 🧠 • Students design a new product (app, service, or invention). • Use SWOT to assess its market fit and potential risks before moving to prototyping. | Introduction-P revious month subject will continue. | Subtopic: Festivity 1-Idli platter 2-Mojito 3-muffins 4-bombay sandwich 5-choco lava cake 6-cookies 7-pasta chaat 8-mango with cream 9- Laddoos 10- Peda Skills- -Leadership -Creative -Bodily Kinaesthetic - co-operative Each child will be able to: 1) prepare some dishes to enjoy the festive season. 2) list some interesting options for baking as well as flameless cooking. | | Preparati on for SENIOR ATHLETI C MEET (Combinin g Contemp orary, break dance and Aerobics). (Students will be able to understan d how different styles were fused with Aerobics.) | <ul style="list-style-type: none">• Learning “Demons by Imagine Dragons”<ul style="list-style-type: none">- Ability to analyze and understand the dynamics of musical themes• Learning “Mexican Shuffle by Herb Alpert and Wheels by Billy Vaughn”<ul style="list-style-type: none">- Ability to analyze and understand the dynamics of musical themes• Performing skills – expressively through appropriate dynamics & feet.<ul style="list-style-type: none">- Application of skills on showmanship and coordination with orchestra• Appropriate interpretation.• Independently express showmanship and composing different themes and songs with improvisations.<ul style="list-style-type: none">- Applying theoretical knowledge and ability to perform solo and with the group. | <ul style="list-style-type: none">●Immunity and Vaccination History of Vaccines- Importance and usage Age-Appropriate Vaccination Schedule Special vaccines in case of animal bite like dog bite etc. | | - Launching of Hydro rockets - Stellarium: A Sky Simulation Software | Basics of writing in media <ul style="list-style-type: none">• 7 c's of communication• Guidelines to understand media messages• Parts of a story• Structure in media stories writing a script• 3 Act structure• Camera angles | | |

| January | PROJECT WORK Design Chatbot /Computer Vision/ Language Translator | Preservation and Conservation Role of ASI Restoration and Maintenance Efforts Challenges in Preservation (Security, Environmental Factors, Tourism) Public Awareness and Heritage Conservation Initiatives Educational Trip to Rashtrapati Bhawan, where students will take on the role of guides | Sustainable Fashion Show What is fashion? How can it be made sustainable? Group Work- The students brainstorm creative upcycling solutions using the SCAMPER technique. Sketch initial concepts and select materials based on sustainability principles. Develop user personas and consider the needs of eco-conscious consumers. -Construct fashion pieces using recycled, upcycled, or biodegradable materials. | Introduction- Stenciling Create beautiful craft work using stencil technique, and make attractive design products. | Subtopic: Winter delights 1) Healthy burger 2) healthy street food 3) hot chocolate 4) coffee 5) paneer and vegie wrap 6) stuffed bell peppers Each child will be able to: 1) prepare some interesting dishes to beat the cold. 2) list some interesting options for flameless yet tasty food. | | Preparati on for S.A. Presentati on using New Choreogr aphy (Contemp orary, Break Dance & Stunts). (Students will be able to confidentl y present themselve s.) | <ul style="list-style-type: none">• Learning “Bohemian Rhapsody by Queen” - Ability to analyze and understand the dynamics of musical themes• Learning “Bella Ciao by La Casa De Papel” - Ability to analyze and understand the dynamics of musical themes• Performing skills – expressively through appropriate dynamics & feet. - Application of skills on showmanship and coordination with orchestra• Appropriate interpretation.• Independently express showmanship and composing different themes and songs with improvisations. - Applying theoretical knowledge and ability to perform solo and with the group. | <ul style="list-style-type: none">• Transportation of injured causalities-Wheelchair- Preparation of stretcher | | | | <ul style="list-style-type: none">• Photo walk• Photo walk images Review• Creation of ETM BOOKLET BASE• Creating Poster | | |
