**CIRCULAR**

**Participation in Vigyantram Grand Finale & Robotics Workshop**  
**Classes: VI to XII**

Dear Parents/Students

At **Tagore International School, East of Kailash**, we believe in empowering our students with the knowledge, skills, and experiences that will prepare them for the challenges and opportunities of the future. As the world rapidly advances in science and technology, it is essential that our learners are not just passive users of technology but confident creators and innovators.

In pursuit of this vision, we are organizing a **two-days in-school robotics and technology workshop** in collaboration with **Vigyantram Technology** and **ENACTUS IIT Delhi** — organizations that are at the forefront of promoting innovation and practical learning among young minds. This hands-on workshop is designed to spark curiosity, enhance problem-solving skills, and offer real-world exposure to cutting-edge technologies such as **drone making** and **Android app development**.
