Visit to Kamani Auditorium  
Class IX

24 November 2025

**Dear Parents,**

In our on-going effort to make learning immersive and meaningful, we are offering students a powerful theatrical experience that bridges history, ethics, and civic understanding through performance.

**History Diaries**, an initiative dedicated to transforming social science education by making it experiential and interactive, will present the theatre production “**Rise of ‘A’ Hitler**.” This thought-provoking performance goes beyond recounting the events of Nazi Germany and Adolf Hitler’s rise to power. It delves into the underlying political, economic, and social factors that shaped the era, encouraging students to reflect on the importance of **democracy, empathy, and responsible citizenship** in today’s world.

**Details:**

Dates: Wednesday, 10 December 2025

Time: 10:15 a.m. – 12:15 p.m

Venue: Kamani Auditorium

Such theatre-based learning reinforces classroom concepts from History and Political Science, builds critical thinking, and helps students relate the lessons of the past to the choices of the present.
