AI Based Media Literacy Camp (Classes I-IV)

Dear Parents,

With ever growing interest of students in Media and Film making, it becomes imperative for us as educationists to ensure we impart them with the right skills so that we can help our students realize their dreams. With this thought in mind, Tagore International School, East of Kailash, is proud to host a 2-day AI-based Media Literacy Camp partnering with CHINH (www.chinh.in), an Early Education Web Channel on Friday, 15 May 2026 and Saturday, 16 May 2026, from 9 am to 11 am. The program aims to provide students with hands-on media experience, empowering them to explore how media builds a vibrant, inclusive society where every individual has a voice on diverse matters.

The programme will have sessions by experts from the field of media and filmmaking. Meenakshi Vinay Rai, the National Awardee Filmmaker couple, with 41 International & National awards to their credit and the founder of CHINH India, will be conducting sessions on the nuances of filmmaking. In the two day camp, students will be exploring and learning AI Based Apps for motion development apart from FILMMAKING SKILLS. Every child will get **150 CREDIT POINTS** on multiple AI Apps for video generation during the camp.

Films made by students during this Media Literacy Camp will be sent to

- SHARJAH FILM FESTIVAL, Dubai
- TRIK FILM FESTIVAL, Ostrava
- UNITED NATIONS PLURAL PLUS FILM FESTIVAL, New York

If your ward is interested in participating in the workshop, kindly submit the duly filled consent form along with the registration fee of ₹2250 in cash to Ms. Jayalakshmi by Thursday, 30 April 2026.

Warm regards

Mallika Preman
Principal
