PRIVATE TRANSPORTATION
NURSERY TO XII

01 April 2026

Dear Parents,

"The safety of our children is a responsibility we share."

At Tagore International School, the safety and security of every child entrusted to our care remains our foremost commitment. We continuously strive to provide a secure environment within school premises, and we deeply value your partnership in extending this vigilance beyond our gates. We would like to draw your attention to a few important reminders in this regard.

1. PRIVATE VAN

If your ward travels by a private van, please ensure that the vehicle is well-maintained and running on CNG and NOT on LPG. The van driver must hold a valid driving license at all times. Overcrowded vans pose a serious risk to your child's safety. We strongly encourage you to consider the school bus as a safer alternative. Please also ensure that you have the contact details of the van owner, driver, and the route covered. If your ward travels by private transport, kindly fill in the enclosed undertaking and submit it to the Class Teacher latest by Monday, 06 April 2026. You are requested to submit the following doc to the school office:

- RC of the VAN
- Driving permit of the driver.
- Driver Licence
- Undertaking from the van driver that they will follow all transport rules & ensure safety of the students.

2. **We request you not to park your vehicles in front of the school gates.** These entry and exit points are used by students and school buses, and it is essential that the approach to these gates remains clear and unobstructed at all times. Your cooperation in this matter directly contributes to the safety of all our children.

3. The area surrounding the school is a designated **No Horn Zone**. We request you to kindly refrain from honking in the vicinity of the school, as it causes unnecessary disturbance and stress to students.

As parents and educators, we are role models for our children. Let us together set an example of responsible, mindful conduct — both within and outside school premises. Thank you for your continued cooperation and support.

Warm regards
