Educational Tour to Japan
CLASSES: VII to XI

21 May 2026

Dear Parents

Rooted in our core ethos, the vision of Tagore International School has always been to nurture forward-thinking global citizens through innovative pedagogy and experiential learning. We firmly believe that true education extends far beyond classroom boundaries; it thrives on real-world exposure that challenges and inspires our students.

In alignment with this vision, we are offering a transformative global opportunity for our school students: an enriching **7 Days / 8 Nights** educational tour to **Japan** planned in collaboration with 'Inverted Prism' from **Tuesday, 29 September 2026 to Tuesday, 06 October 2026**.

Program Highlights

This carefully curated itinerary bridges advanced science, rich cultural heritage, and academic exploration across **Tokyo, Mt. Fuji, Hakone, Osaka, and Kyoto**. Key experiences include:

- **Science & Innovation:** Visits to the **JAXA-Tsukuba Space Centre** and **Miraikan** (National Museum of Emerging Science and Innovation).
- **Global Exposure:** An interactive visit to a **local Japanese school**.
- **Cultural Landmarks:** Exploring the historic Asakusa Temple, the Golden Temple (Kinkaku-ji), Arashiyama Bamboo Forest, and the iconic Osaka Castle.
- **Scenic Wonders:** A Mt. Fuji and Hakone tour featuring a Lake Ashi Cruise and a ride on the Shinkansen (Bullet Train).
