Dear Parents

Good health and well-being of your ward are paramount to us & we tirelessly strive to achieve the same in partnership with you. In continuation to the medical details filled up by you in the Almanac, we request you to fill up the proforma given below to enable us to collect information regarding health issues, if any, of your ward with supervisory/ precautionary instructions of your healthcare professional.

We would like to remind you that students are not permitted any self-medication in the school. In case any medication is to be administered during school hours, kindly handover the prescribed dosage/ medicine (mentioning expiry dates) to the school staff Nurse so that the needful is done under her supervision. Please submit the proforma latest by **Wednesday, 08 July 2026 to the Class teacher.**
